FAQ

1. Are the materials of these artificial bouquets environmentally friendly?

Yes, the silk fabric we choose is environmentally friendly and complies with relevant environmental standards. We focus on product quality and sustainability, and are committed to providing environmentally friendly decorations that allow you to beautify your space while also contributing to the earth.

2. Are these flower bulbs easy to clean and maintain?

Yes, artificial bouquets are very easy to clean and maintain. You can use a gentle cleaning tool, such as a soft brush or a hair dryer, to gently remove dust. In addition, the silk material of the bouquet also makes it less likely to be stained with dirt, making it easier to maintain a fresh appearance.

3. What scenarios are bouquets suitable for?

Our artificial bouquets are suitable for many scenes, including but not limited to shops, shops, wedding scenes, home decoration, etc. Whether creating a romantic atmosphere or enhancing the beauty of a space, bouquets can perfectly blend into different occasions and add color to your environment.
