Product Description

Product advantages and features:

1. The garland is full and feels real:

This near natural autumn and artificial fall wreath uses exquisite craftsmanship to present full flowers, which feel real to the touch and feel like being close to nature. Each maple leaf, grass, pine cone and cotton ball is carefully designed to show a high degree of simulation, injecting life and beauty into the decorations.

2. Multi-purpose, multi-shape:

Nearly natural fall wreath features diversity. It can not only be used as an autumn wreath for the front door, but can also be used flexibly for decoration in homes, shopping malls, squares and other occasions. Its colorful color selection allows to create a variety of shapes and decorative effects according to different scenes or personal preferences, adding flexibility and practicality.

Craftsmanship:

Silk fall wreaths are made of professionally made floral silk fabrics and ribbons. Every maple leaf, grass, and pine cone is carefully designed and produced to ensure that every detail is just right. The clever combination makes the overall garland present a beautiful layering, bringing visual pleasure to the viewer.

Maintainance:

The maintenance of this fall silk wreath is very easy. Because it is made of artificial materials, there is no need to worry about the flowers withering. Just wipe it gently to keep it looking fresh and new. Place it in a cool and ventilated place away from direct sunlight to extend its service life.
